Summary

Senior UI developer and senior frontend engineer with 4+ years of experience leading UI development and frontend architecture for scalable, high-traffic applications. Expert in optimizing performance and accessibility to WCAG 2.1 standards using Angular, React, Next.js, and styling frameworks like Tailwind CSS and Material UI. Proven success in codebase migration and enhancement, boosting scalability and maintainability for enterprise projects. Collaborative and user-focused, delivering responsive, engaging interfaces that drive conversions.

Skills

Frontend Technologies: HTML5 • CSS3 • JavaScript (ES6+) • TypeScript

Frameworks & Libraries: React.js • Next.js • Angular (Component Development) • State Management (React Redux Toolkit) • RTK Query

Styling Frameworks: CSS • Tailwind CSS • Material UI • Bootstrap • Sass • SCSS • Prime NG

Design Tools: Figma • Adobe Photoshop

Version Control & Collaboration: GitHub

Development Practices: Cross-Browser Compatibility • Frontend Architecture • CI/CD Pipeline • SEO • Performance Optimization • Code Splitting

Backend and Databases: Node.js / Express • AWS • GCP • MongoDB (Basic Knowledge) • PostgreSQL

Accessibility: WCAG 2.1 Compliance

Methodologies: Agile • User-Centered Design

Experience

SentientGeeks

UI Developer and Frontend Engineer

02/2021 - Present

- Architected scalable React and Angular applications serving high-traffic users.
- Designed component-driven UI with Tailwind CSS and Chakra UI, cutting development time by 15% and increasing conversion rates by 20%.
- Orchestrated React 18 migration, eliminating 30% of legacy code and boosting maintainability by 25%.
- Created WCAG 2.1-compliant, responsive interfaces, reducing bounce rates by 12% on mobile devices.
- Developed REST APIs with Node.js and Express, improving API response times by 20%.
- Collaborated with product, design, and backend teams to deliver responsive and accessible user experiences.
- Collaborated on AWS cloud deployments, achieving 90% uptime and 75% scalability improvements.

Projects

Frontend Developer - CLASSPOINT.APP

<https://www.classpoint.app/>

06/2022 - 11/2023

E-Learning Platform

- Led UI/UX design and development for ClassPoint.app, an Edtech learning platform for educators and students
- Designed and developed an engaging, animated learning interface using React, Material UI, and custom SCSS frameworks
- Implemented dynamic, real-time interaction features, reducing new educator onboarding time by 25%

UI and Frontend Engineer Lead - FCA.ORG.UK

<https://www.fca.org.uk/>

08/2023 - 03/2026

Financial Conduct Authority Public Website

- Built reusable 100+ Angular components and frontend standards used across multiple FCA modules.
- Ensured full WCAG 2.1 accessibility compliance, exceptional clarity, and alignment with stringent public sector design and technical standards.
- Engineered custom frontend framework using SCSS within Angular, streamlining development workflows and improving maintainability.
- Enhanced scalability across projects through standardized component library and design system.

UI Lead and Frontend Engineer - FINREG-E.COM

<https://finreg-e.com/>

07/2024 - 03/2026

Financial Regulatory Compliance Platform

- Improved user engagement by 85% by overseeing a comprehensive platform-wide UI/UX redesign for Finreg-e.com.
- Engineered sophisticated RIG module using Angular, Material UI, and SCSS, significantly improving user efficiency and complex data navigation capabilities.
- Implemented component-based architecture enabling scalable frontend development.
- Enhanced data visualization and reporting features for compliance professionals.
- Implemented scalable component architecture and reusable UI patterns for complex regulatory workflows.

Education

Shibpur Dinobundhoo Institution (College)

Howrah, West Bengal

Bachelor of Commerce

2016 - 2019

Education

Howrah Vivekananda Institution
Secondary School Certificate

Howrah, West Bengal
2004 - 2016

Languages

English
Professional Working Proficiency

Hindi
Professional Working Proficiency

Bengali
Native/Bilingual Proficiency

Awards

 SentientGeeks Competitive Winner (2025)
Recognized for outstanding technical innovation

 Precious Gem Award (2023, 2024)
Awarded for exceptional performance and contributions

 Best Project Award (2022)
Pijen project recognition for excellence in UI/UX implementation
